

The Beads on One String Project in ACTION!

"Our goal was to promote diversity and respect for all people. Dennis fulfilled that goal in a way that perhaps can only be accomplished through the arts. It was gratifying to have staff, parents and children approach me to express their appreciation for having Dennis at our school. The impact of his performance on us was renewed appreciation for others and a lot of fun."

Phil Gurbada - Principal (MN)

Dennis loves to get the kids involved!

Students parade their beads during the concert in Sauk Rapids, MN

"Dennis Warner is an awesome performer! Our school children enjoyed the concert very much. He was certainly delightful and connected well with the students." *Pat Lindeman - Principal (MN)*

"The students had a blast making the beads. Thanks for the great concert!!!! We had so much fun. If you ever need a reference, please do not hesitate to use my name."

Erin Hatlestad - Principal (MN)

Lucy Schwiager showed off the bulletin board at Elizabeth Seaton Elementary (MN)

Students made individual "Beads" and connected them in the cafeteria in Sauk Centre, MN

"Dennis' presence is very child supportive. His message about bullying and being one individual, highly unique bead on the string of life is very valuable. He has charisma, talent and a spiritual presence that is also noticed by young people."

Gary Loch - Multicultural Diversity Coordinator ISD 742 (MN)

"We chose to do the "Beads on One String" project in our school for many reasons. Most importantly, was how it showed children that we are all the same. It really doesn't matter our religion, socio-economic status, education, race, etc. It doesn't matter if we are great spellers or mechanics. We are all needed and valued. We want children to appreciate each other and learn not to tease anyone who is different. A lot of what we did started in the classrooms with discussions about bullying, etc. Our students especially loved hearing Dennis' songs each morning."

"The project was very well received."

Brenda Gugglberger - Principal (MN)
